

Origami Butterfly Craft

Start with a square piece of paper.

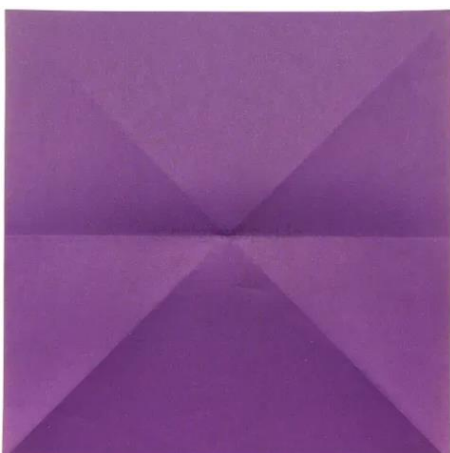

1. Fold the top left corner of the paper diagonally down to the bottom right corner.

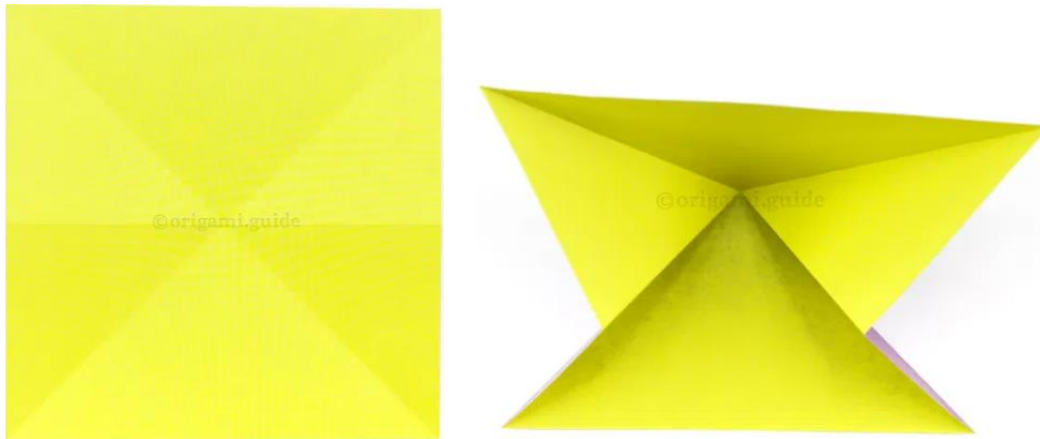

2. Unfold the previous step then fold the top right corner diagonally down to the bottom left corner and unfold again, then flip the paper over to the other side.

3. Fold the bottom edge up to the top edge and unfold again.

4. Flip the paper back over to the other side, push the left and right sides inwards collapsing the top edge down to the bottom edge.

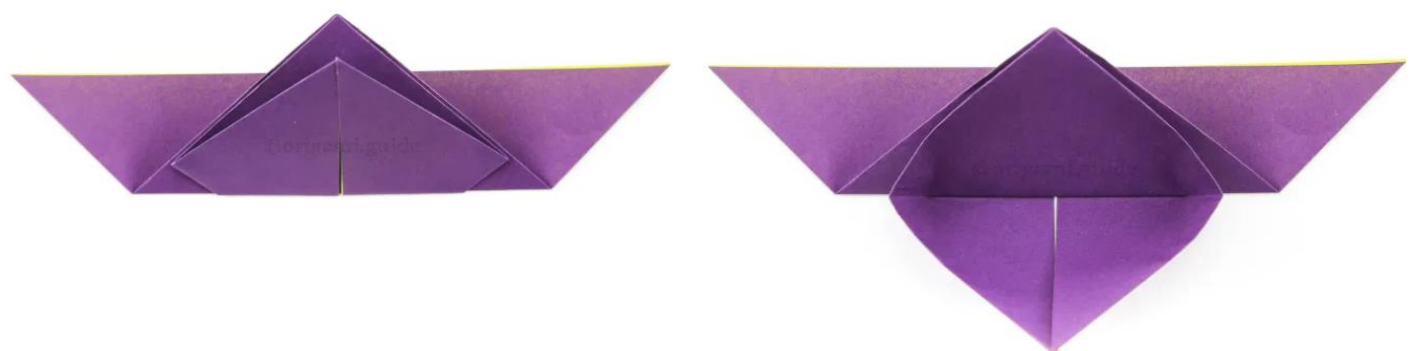

5. Flatten the paper to form a triangle then fold the bottom left and right points diagonally up to meet the top point.

6. Flip the model over to the other side and fold the bottom edge up a little more than half way.

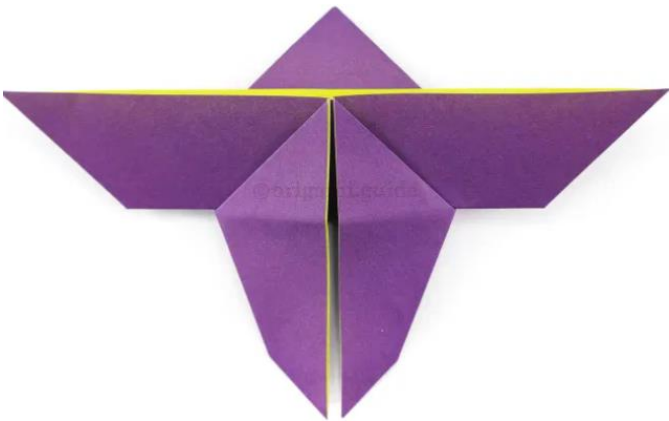

7. Flip the paper over to the other side and bring the two flaps down.

8. Flatten the two flaps down, squashing the left and right edges.

9. Flip the butterfly over to the other side and fold the top triangle down.

10. Fold the top triangular flap up, leaving a little gap then flip the butterfly back over to the other side.

11. Carefully fold the left side over to the right.

12. Fold the top layer back diagonally to the left and repeat on the other side.
