

Paper Roll Bear

What do I need?

- Paper
- Printer
- Toilet paper roll
- Glue
- Scissors
- Colour pencils

1. Print out the template.
2. Colour in and cut out your template pieces

Glue pieces onto a toilet paper roll:

3. Glue the large rectangle around the toilet paper roll to make the body.
4. Glue the head on the top of the toilet paper roll.
5. Glue the flower over one of the ears on the head of the bear.
6. Glue the arms either side of the body (to make them stick out bend the ends of the arms and glue the tab on the side of the body).
7. Glue the feet onto the bottom of the toilet paper roll.
8. Glue the umbrella into one of the hands.
